DHUK HI RES ORT

ROOMS AND RESTAURANTS, SHOWS AND SHOPPING

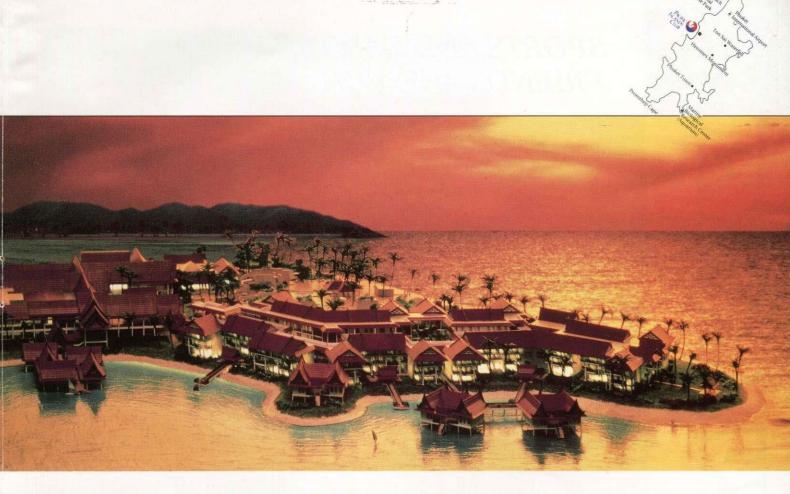

At the Pacific Islands Club Phuket, you'll enjoy a spacious Thai-style room with two enormous double beds. Plus all the comforts you'd expect from a resort hotel, but without the stuffy formality.

The Club grounds cover over 80,000 square metres and you can stroll in vast tropical gardens where the smell of bougainvillea scents the air.

When it comes to food, Pacific Islands Club sets the best table in the Pacific. You can either have your meals included in your prepaid package or pay at the resort for each meal you choose. Menus change daily and feature a glorious array of the best of East and West; with a

delicious sampling of local cuisine too. At lunch and dinner, free wine and beer flow as easily as the conversation.

There are three stylish restaurants. The Similan, which is the main dining room; the Rim Talay, serving mouthwatering seafood and authentic Thai dishes in a relaxed setting overlooking the lagoon; and the Chok Dee Deli, a coffee shop famous for its fast food.

After a satisfying meal, there's the evening's entertainment; normally performed by the Clubmates, but occasionally also by talented guests. The themes change every night and range from cabaret to comedy.

Following the show you can dance the night away at the Sabai Dee Disco. And as music knows no national boundaries, you'll soon find yourself chatting to guests from all over the world, and from all walks of life.

For those who like to explore their surroundings, Phuket offers exciting choices. It's a tropical island approximately the size of Singapore and we have optional tours and trips where you can really delve into the local colour.

And when it comes to shopping for souvenirs, our Boutique has a whole host of unique items exclusively made for Pacific Islands Club members.
